

## Healing & Deliverance

Miracles of Healing and Deliverance still take place today. So many people all over the world attest to the Power of God to heal and deliver.

From the time that Jesus Christ came into the world and went around Galilee healing the sick and delivering those that were bound by various torments of the mind until this present day, God is still doing the same miracles—because **“Jesus Christ is the same yesterday, today and forever.” Hebrews 13: 8 (NIV)**

The Bible is God’s Word to the human race and it says these powerful words regarding healing:-

**Exodus 15:26, “I am the Lord, who heals you.” (NIV)**

**Acts 10:38, “how God anointed Jesus of Nazareth with the Holy Spirit and power, and how He went around doing good and healing all who were under the power of the devil, because God was with him.” (NIV)**

**1 Peter 2:24, “He (Jesus) Himself bore our sins in His body on the tree, so that we might die to sins and live for righteousness; by His wounds you have been healed.” (NIV)**

These are powerful promises from God to us for healing - physically, mentally and emotionally. God is vitally interested in our well being and wants to heal us. Please trust God today!
